The Honourable Marston Gibson

Dear Chief Justice

Re Kingsland

I refer to Mr Turney's letter dated 28 September 2012. I am disappointed although not surprised that Mr Turney would seek to write you on a matter which is before Justice Worrell. I do however take the position that it is highly improper for Counsel to write to a Chief Justice in relation to the merits of an application which is before another Judge.

I do not intend to comment on the letter other than to take issue with the suggestion that my client is delaying the resolution of outstanding matters when in fact Mr Turney has asked and been given adjournments. Further it is in fact my client's contention that Mr Turney's clients have lied and/or manipulated the courts to their advantage.

In any event my client has an application before the court on Tuesday the 2nd October 2012 asking the court to set the application filed on the 8th day of November 2012 in High Court Action numbered 1379 of 2006 and 993 of 2003 (Consolidated) set for hearing for ease of reference I am attaching (enclosing a copy of that application). It would greatly assist if you would confirm that Mr Turney's information as to your direction is correct.

Yours faithfully,

Alair Shepherd
