Those attorneys who are in default of paying their Bar Fees and are practising and appearing before the Courts in this Island in the capacity of attorney-at-law have no legal authority to do so and as such are contravening the laws of Barbados the same laws they have sworn to uphold.

I do not intend to participate in illegal behaviour nor do I intend to practice or facilitate anyone in the practice of law in contravention of the Laws of Barbados.

Please note that I have taken the liberty of copying this letter to the Chief Justice of Barbados and the Registrar of the Supreme Court of Barbados and ask that you notify all on your mailing list accordingly.

Yours sincerely,

Wilfred A Abrahams
